FYI, are fax machine is currently, as I speak, being set up in a new room, so I am not sure if it is working yet or not, so if you get a busy (dead?) signal, don't be surprised. It *should* be up and running soon.

Hi Betsy-

So I've received a request for a discovery packet for Wareham District Court for the following numbers:

██████████ Would you mind faxing me a copy of the drug receipt, chain, cards, etc? Thanks.
